## About the University

Noble University is situated near the mountain terrains of Girnar, Junagadh, Gujarat. The beautiful landscape of campus provides you with the most aesthetic feel of naturalism. Noble University is a non-profit state-private university recognised by the Government of Gujarat. Our outcome-based education is driven by our vision and mission of providing essential and synergic education to our learners.

We firmly believe that education must not be limited purely to academic learning. No matter what you're passionate about, we have something for everyone. You can have it all here.

VV HERE KNOWLEDGE MEETS NOBILITY VV

## THE TEAM NOBLE

 A Group of Leaders Who Takes Challenges & Inspires The Youth 

## Our Vision

- ◆ To become one of the premier Techno-Scientific Educational Organisations through excellence in Education, Research and Innovations thereby creating skilled professional leaders and/or entrepreneurs with high morals and ethics to meet global challenges.

## Our Mission

- ◆ To encourage innovative ideas and provide value-based education through experienced, highly qualified and committed staff members.
- ◆ To achieve a centre of excellence by providing a conducive globally competitive environment in all fields of education available on the campus.
- ◆ To inculcate a culture of integrity, self-reliance, leadership and community responsibility.
- ◆ To promote Institute-Industry Interaction through the collaboration for polishing and trimming the students.

## Core Values

- ◆ **Academic and Research excellence:** University serves the student community by delivering consistently high-quality academic programmes and providing state of art research facilities.
- ◆ **Innovation and Entrepreneurship:** University encourages, considers and supports development of ideas by fostering individual ingenuity and creativity and creating an environment with opportunities for start-ups and entrepreneurship.
- ◆ **Skill Development:** University is committed for providing hands-on practical training for skill development and to meet the vocational as well as technical requirements.
- ◆ **Integrity and Ethics:** University upholds the highest ethical values, integrity and professionalism with inculcation of human values.
- ◆ **Transparent Governance:** University is committed for transparency and accountability in governance and encourages decision making process through shared views and common consensus with self-disclosure of information.
- ◆ **Social Responsibilities:** University is committed to create an inclusive environment where everyone gets opportunity to develop his full potential and contribute to the consummate growth of the society.

## Message from Core Team

### From The President's Desk

I welcome all peers on the platform of Noble University. After leading many corporate enterprises in the last three decades, we landed with Shri Vivek Bharti Trust (VBT).

Nearly two decades ago, VBT committed itself to robust professional education. We established as a pioneer, a path-breaking model we continue to drive.

Achieving a milestone on June 1, 2022, as Noble University, where the brightest learn from renowned faculty.

Innovative curriculum and research opportunities tackle today's problems. Our comprehensive range of Diploma, Graduate, Postgraduate and Doctoral programmes prepare future leaders.

We offer diverse programme options to align education with passion and career goals.

I believe that University is a temple,  
Teachers are Priests and Students are Gods.

विधार्थी देवो भवः

**Shri. Nilesh Dhulesia**  
**PRESIDENT**

## Message from Core Team

### From The Vice President's Desk

Being a person of community service for the last couple of decades in the land of the Great Poet "NARSINH MEHTA" and under the blessing of the Spiritual epicentre Of GIRNAR, Junagadh, I welcome you to Noble University. Our dedicated staff is here to support students as they adapt to college life, ensuring they maximise their university experience and contribute to our vibrant community. Success hinges on motivation, work ethic and personal responsibility, but it's also about the partnerships we cultivate.

We encourage you to actively engage with the Noble family and participate in our Diverse programmes and activities. Your involvement can positively impact our student community and continue our legacy of success.

સુરવાર્થી ત્યજતે વિદ્યાં વિદ્યાર્થી ત્યજતે સુરવમ् ।  
સુરવાર્થિનઃ કુતો વિદ્યા કુતો વિદ્યાર્થિનઃ સુરવમ् ॥

**Shri. Girish Kotecha**

VICE PRESIDENT

## Message from Core Team

### MANAGING TRUSTEE

Noble University has been conceived by Shri Vivek Bharti Trust to put India on the global education map by making Junagadh a Global Education Hub. Hence, NU fosters an aspiration of being a World Class University.

The University's exceptional vision, anchored in values of Honesty, Integrity and Transparency swiftly advances its ambitious goals. I am honoured and privileged to be a managing trustee of the Vivek Bharti Trust & Noble Family.

Our mission is to prepare students for global roles, cultivating the right attitude, knowledge and skills to excel in jobs and entrepreneurship while serving society.

विद्याधनं सर्व धनं प्रधानम्

**Shri V.P. Trivedi**  
MANAGING TRUSTEE

## Message from Core Team

### CO-MANAGING TRUSTEE

Having widespread experience in imparting education and managing educational organisations in and around this district and across Gujarat state and a person with ideals and a motto to flourish the career of each child without any discrimination.

I Joined the noble cause of imparting knowledge in the region.

Just start putting your efforts positively; no difficulty can dare to come on your way provided you allow it to interfere and disturb your target. All problems come with definite solutions. You have to search for them with your talent and hard work.

यस्य बुद्धिर्बलं तस्य

**Shri K.D. Pandya**  
CO-MANAGING TRUSTEE

## PROVOST

“EDUCATION IS THE  
MOST POTENT WEAPON  
WE CAN USE TO  
CHANGE THE WORLD.

To achieve superiority, any society or country will have to rely mainly on the supreme quality of education. The goal of Noble University is the consummate growth of society through excellence in education, Research and Innovation, building a generation of highly employable entrepreneurial, socially responsible global citizens.

This University emphasises the round development of the students aiming to produce capable and competent professionals and good individuals with high morals and ethics.

I take this opportunity to invite students to our university and become a part of this transformational journey.

**Dr. H.N. Kher**  
PROVOST
